

[water base carpet & fabric protector]

KleenGuard® Choice is the latest advance in water base fluorochemical chemistry. It is for use on carpet and fabric to provide the best performing protection against both oil and water base stains. This product has superior fiber penetration and bonding properties to supply thorough, long-lasting protection. New dilutions give you the Choice!

DILUTIONS

- Highest Performance: 1 part with 1 part of water.
- Excellent Performance: 1 part with 3 parts of water.
- Competitive Performance: 1 part with 6 parts of water.

DIRECTIONS

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) Apply with a sprayer; 50 psi is ideal when protecting carpet. Spray evenly until carpet or fabric is damp to the touch. May be applied immediately after wet or dry cleaning.
- 4) Allow to dry before use. Full-cure protection will be complete within 24 hours.
