

SpinKleen™ is a fast drying bonnet cleaner formulated with citrus solvent. This product is for use with low-speed rotary floor machines to clean and deodorize without leaving a soil-attracting residue. Excellent for cleaning and maintenance in hotels, casinos, healthcare facilities and other high-traffic areas where low noise and rapid drying are essential.

**DILUTIONS**

- Light soil: 1 part with 6 parts of water.
- Average soil: 1 part with 3 parts of water.
- Heavy soil: Hot water extraction method is recommended.

**DIRECTIONS**

- 1) Shake gently before use.
- 2) Always test for color stability before use.
- 3) a) Immersion method: immerse bonnet in bucket of ready-to-use solution, remove and wring dry; a down press wringer is recommended. Place bonnet under machine and proceed to clean using overlapping passes. b) Spray method: spray ready-to-use solution onto carpet in small workable areas (50 ft<sup>2</sup>) at a time. Moisten bonnet with water before placing under rotary machine. Proceed to clean using overlapping passes.
- 4) As bonnet becomes soiled, turn over to use clean side. When both sides have become soiled, rinse in solution or water, wring and repeat process.
